

## I-15/SR-56 Bike Lane to Close

The bike lane along State Route 56 from Rancho Penasquitos Boulevard toward Interstate 15 (I-15) will be closed beginning the first week of June for about two years. Construction along I-15 will limit the access of pedestrians and bicyclists in the area of I-15. A detour is available using Carmel Mountain Road across I-15 then turning south on Rancho Carmel Drive.

If you have any questions or would like information on the project, please log onto the I-15 Managed Lanes project website at [www.dot.ca.gov/dist11/I-15managed](http://www.dot.ca.gov/dist11/I-15managed). You can also access information from the project information line at 1-866-890-1397 or by calling Construction Information Officer Tom Nipper at 619/688-6939.
